Dear Ricardo,

It is our great pleasure to let you know that your application for the ESI on Location Science was successful and you have been chosen as one of the laureates!

We are looking forward to welcoming you in Edinburgh in June.

The stipend for the ESI will cover all expenses during your stay, e.g. accommodation, subsistence, social programs.

Regarding travel expenses, the national OR societies are encouraged by EURO to cover travel expenses of the laureates within their possibilities. Unfortunately, we are still waiting for EURO for the information on how to liaise between laureates and national OR societies. We will get back to you as soon as we have more information.

Given the high volume of applications, we kindly ask you to confirm your attendance by the end of next week.

Kind regards,

Jörg & Sergio
