**Inviato:** mercoledì 17 novembre 2021 20:07  
**A:** Bellussi Francesco Maria  
**Oggetto:** Important Speaker Presentation Details: 2021 MRS Fall Meeting

Wednesday, 17-Nov-2021

**Presenter:** Francesco Bellussi,

Please find below your final presentation schedule with times. Check your time carefully as it may have been moved up or down within the session to accommodate attendance changes.

**Control ID:** 3619491

**Final ID:** SB09.06.03

**Title:** Soft Materials Surface and Interface Characterization Through Multi-Scale Simulations

**Session Date:** December 1, 2021 from 1:30 PM to 4:00 PM ET

**Presentation Time:** 2:15 PM to 2:30 PM ET

**Presentation Location:** Sheraton, 2nd Floor, Republic B

**Session title:** SB09.06: Biomaterial Modeling, Characterization and Mechanical Properties

Presenter guidelines for both onsite and virtual presentations have been posted to: <https://www.mrs.org/meetings-events/fall-meetings-exhibits/2021-mrs-fall-meeting/attendee-guidelines>. **Please review all of the guidelines pertinent to your presentation.**

In addition to your live presentation, MRS strongly encourages all presenters, both onsite and virtual, to record and upload a pre-recorded audio over PowerPoint version of their presentation, which should be saved in either an .MP4 or .MOV format. This will provide a wider audience for your talk and provide all registered attendees, both onsite and virtual, the opportunity to view all 2021 MRS Fall Meeting presentations on their own schedules. Registered attendees will have access to the virtual meeting and will be able to view on-demand content until January 15, 2022. Instructions for creating and uploading an on-demand presentation will be posted [here](#). The deadline to upload your recorded presentation is **November 24th**.

An invitation to download and log into the Eventsential meeting app will be coming soon. Use the meeting app on your mobile devices to browse the program, build a schedule, and connect with other attendees.

We look forward to your participation in the 2021 MRS Fall Meeting A Hybrid Event!
