Dear Rosa and Andrea,

It is my pleasure to provide you the Student Travel Grant, which covers your student conference registration for the 2021 PPC/SOFE.

Please register soon, ideally before the end of November 2021 at <https://uta.engineering/ppcsofe2021/>  
Please use the code **IEEESMGA21**  
which, as an IEEE Student member, should give you the free conference registration.

Please do not share this registration code with others.  
If you have any issues, please do not hesitate to contact me.

Again, my congratulations to you for receiving the Student Grant for the 2021 PPC/SOFE virtual conference.

Best regards,

Frank
