

Award from the Italian Society of Chemistry (SCI)
Division of Electrochemistry

to

Ying Zhang

for the oral presentation titled

“Development of Advanced All-Solid-State Polymer Electrolytes Using Innovative, Rapid, and Solvent-free Procedures”

Presented at the

First Symposium of Young Chemists Innovation and Sustainability

Rome, 20th - 23th June 2022

Organized by the university of Rome Sapienza, Department of Chemistry

The Organising Committee
