

The International Federation
for the Promotion of Mechanism and Machine Science

MESROB 2018

6-th International Workshop on New Trends in Medical and Service Robotics
4-6 July 2018: Cassino, Italy

The International Award Committee for MESROB 2018

presents
the **Gold** Best Research Paper Award to

*Carlo Ferraresi, Carlo De Benedictis, Daniela Maffiodo,
Walter Franco, Alessandro Messere, Raffaele Pertusio,
Silvestro Roatta*

In testimony of a significant achievement in Medical and Service Robotics with paper:
*A Novel Pneutronic Device for the Investigation of Compression-Induced
Physiological Phenomena: Modeling and Experimental Testing*

Prof. Giuseppe Carbone
Chair of MESROB2018

Cassino: July 5, 2018  
Prof. M. Ceccarelli, Prof. A. Laribi, Prof. D. Pisla
the 2018 Award Committee
