**Oggetto:** RE: ISPRS Congress 2020 travel grants  
**Allegati:** Copy of TravelGrant ApplicationsTable\_2020Congress (awarded).xlsx

Dear ISPRS Foundation Travel Grant Applicant,

1. I am happy to inform you that the Evaluations Committee of The ISPRS Foundation has determined to provide you with a grant that covers either your registration fee shown in the blue columns in the attached table and/or provide you with USD cash grant shown in the green column in the attached table, to assist you to attend the ISPRS Congress 2020 in Nice France in June 2020. There were 177 applicants for travel grants to attend the event so it is not possible to satisfy all requests. Please confirm to me by Friday 10 April 2020 that you will be able to use the fee waiver and/or travel grant, otherwise the funds will be reallocated.
2. For those who have been awarded registration fee waiver shown in the blue column in the attached table, the Congress organizers will manually input your registration in the Conftool system.

3. For those who have been allocated cash grants, you will be handed the USD cash at the Congress by the ISPRS Foundation Finance Officer, Prof Marguerite Madden. If there is any variation on these arrangements I will inform you accordingly. Please ensure that you contact Prof Madden soon after your arrival so we can arrange the handover of funds.
4. You will receive a certificate as well as the travel grant and your name will appear in the ISPRS Foundation Newsletter.
5. Following your attendance at the Congress, I may request you to provide a report preferably in Word format of approximately 1 page in length, on your experiences at the Congress, together with appropriate photos if you have any, which describe your impressions of the Congress, the benefits that you have gained from attending it, such as how it has benefited your studies or your career, or how it has improved your output in your employment. The report will be included in the TIF bulletin which is included in the ISPRS Bulletin and may also be included in an TIF Annual Report. If requested, please provide this report within 1 month of your attending the conference.

Regards  
John Trinder  
Operations Officer  
The ISPRS Foundation
